OFF THE MAIN GRADEL QUADRANGLE

Although most of our undergraduate students are housed on or around the main College site, we are currently building the Gradel Quadrangles, which will open in 2023. Situated

just a couple of minutes' walk from the main College site, this will allow us to offer more of our students accommodation throughout their degrees.

CLORE MUSIC STUDIOS

10 Music Studios are available for all New College students to use. Just two minutes from the main

site, they comprise seven sound-proof rooms, most with pianos.

WESTON SPORTS

Our sports ground is from the main College site – unusually close for an Oxford college. It has pitches for football, rugby, cricket, and hockey,

squash courts, an ergo gym, and an all-weather court for basketball, netball, and tennis (plus

9

Despite being called 'New College', we are actually the 9th oldest college of Oxford University. Our original name was 'The College of St Mary of Winchester in Oxford' but because there was already a college dedicated to Mary (and because that name is a bit of a mouthful!), we became known as 'New College'.

1379420

The year we were founded by William of Wykeham, Bishop of Winchester and twice Lord Chancellor of England.

The approximate number of undergraduate students we have in our New College family.

4
