For fees purposes undergraduates are classed as Home or Overseas. Your classification depends on your nationality and certain residence conditions, and the definitions used by the University are given in Appendix I of the Examination Regulations. If you are unsure of your classification more details are available at [www.ox.ac.uk/students/fees-funding/fees/status](http://www.ox.ac.uk/students/fees-funding/fees/status).

Home students are charged course fees of £9,250 in 2022/23. Course fees may increase annually. Republic of Ireland students who start on a programme of study in 2022/23 will be charged course fees at the Home rate for all years of their programme. For Home undergraduate students, course fees are currently subject to a governmental fee cap and will not increase above the level of the fee cap, which is subject to annual review. In deciding the annual level of increase, the University will take into account a range of factors, including rises in the costs of delivering the programme and changes in government funding. You can read further information on these annual increases on the University website at [www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges](http://www.ox.ac.uk/students/fees-funding/fees/changes-fees-and-charges).

For 2022/23 the course fees for students from the Channel Islands and the Isle of Man who are starting a course are £9,250. Mainstream government funding has two parts: loans for fees and loans for maintenance or non-repayable maintenance grants (for some Home students only). You must apply for the first year of your course. It is your responsibility to ensure that you apply early and we recommend no later than the Easter Vacation before the start of the next academic year.

For courses starting on or after 1 August 2021, the UK government has confirmed that EU, other EEA, and Swiss Nationals will be eligible for student finance from the UK government if they have UK citizens' rights (i.e. if they have pre-settled or settled status, or if they are an Irish citizen covered by the Common Travel Area arrangement).

The support you can access from the government (fees/living costs) will depend on your residency status.

Eligibility for support in each of the four UK nations can be checked at:

: Student Finance NI - [www.studentfinancenl.co.uk](http://www.studentfinancenl.co.uk)

registered, the Student Loans Company (SLC) will make payment directly to the University to cover your course fees.

If you are eligible for a tuition fee loan but have not yet made an application you are able to do so via the methods mentioned above up until the end of May 2023 (or the end of March 2023 for SAAS). If you have already paid your course fees but would like to take out a tuition fee loan instead, or if you are applying for a loan late, please contact your college to discuss this. The college can access a database of information about those who have made an application to the SLC for a tuition fee loan; those students not on the database will be charged for their course fees.

If you wish to alter the amount of tuition fee loan you have requested, then you should be able to do this using your online Student Finance or SAAS account. In some circumstances this is not possible, in which case you should contact your regional funding agency by telephone for advice.

Supplement of £200 if you live between 80 and 150 miles from Oxford. If you live more than 150 miles from Oxford, you will receive an annual Oxford Travel Supplement of £500. If eligible you will be notified of this additional funding shortly after being contacted about your bursary funding from Oxford.

as you do not have to be legally estranged from your parent(s) (as defined by Student Finance) in order to apply.

Students can obtain a copy of the Care-Experienced and Estranged Student Bursary application form and guidance notes through their college office or from Student Fees and Funding from week 0 of Michaelmas term. Please note that we will seek to verify your circumstances as part of the application process. Students are eligible to apply for the Care-Experienced and Estranged Student Bursary each year they are on course.

Applications for 2022/23 will be accepted from \_\_\_\_\_ until \_\_\_\_\_ and are assessed on a rolling basis by the Student Fees and Funding team. For more details about the range of support available to Care-Experienced and Estranged students, visit <https://www.ox.ac.uk/students/fees-funding/assistance/targeted-support>.

Any tuition fee loan amount will be adjusted automatically by the University but may not appear as expected on your Student Finance entitlement letter. This is because the tuition fee income the University receives from the SLC is not released to the University in three equal instalments. For more information on your tuition fee liability, please email [student.fees@admin.ox.ac.uk](mailto:student.fees@admin.ox.ac.uk).

The University will inform the Student Loans Company (SLC) of your change in student status. The amount of government maintenance support you are eligible to receive will vary depending on the date you suspend. Your regional funding agency (e.g. Student Finance England) will reassess your entitlement and send an updated entitlement letter to you. The University will also reassess your Oxford Bursary entitlement accordingly.

In some cases your regional funding agency may request that you repay maintenance funding already received for a particular term. Alternatively, an overpayment may be taken off a future payment(s)
